5.0 METHODOLOGY AND TIME ALLOCATION
6.0 TOPICS
7.0 SCOPE AND SEQUENCE 4
8.1 COMPETENCY MATRIX
8.2 FORM 2
8.3 FORM 3
8.4 FORM 4
9.0 SCHEME OF ASSESSMENT

#### 1.0 PREAMBLE

#### 1.1 Introduction

The Principles of Accounting learning area is designed for forms 1 – 4. The syllabus intends to equip learners with accounting skills, concepts and principles which they can apply to collect, classify, summarise and present financial statements required to make decisions for different types of business enterprises including small to medium enterprises. The syllabus enables learners to apply theory and practical aspects of accounting and also lays a foundation for further studies in related accounting areas.

#### 1.2 Rationale

The indigenisation policy of Zimbabwe encourages school leavers to create own employment and apply enterprising skills. The basic concepts of accounting will help learners to be critical thinkers, financial investigators, financial controllers and providers of relevant and informative data for decision making purposes. The syllabus aims to impact knowledge and understanding of the business and finance as well as inculcating the spirit of good business ethics (Unhu/Ubuntu/Vumunhu) in the learners. Knowledge of this subject is a gateway to career development in the areas of financial accounting, management accounting, taxation, auditing and forensic investigation among others.

The Principles of Accounting syllabus enables learners to develop skills in:

- problem solving
- systematic, analytical and critical thinking
- summarising, interpretation and evaluation
- decision making
- conflict resolution
- leadership
- communication
- technology and innovation
- enterprise
- •compliance
- research and presentation.

#### 1.3. Summary of Content

This learning area intends to equip the learner with basic accounting skills and concepts necessary in the keeping of proper books of accounts that will enable him or her to prepare financial statements for different enterprises such as small to medium enterprises, sole proprietors, companies, partnerships and not for profit making organisations. The syllabus encour-

ages learners to be involved in practical work such as starting and running income generating projects

#### 1.4. Assumptions

It is assumed that learners:

- have basic knowledge of mathematics.
- are aware of the need to record and keep financial records in a business.
- have the general knowledge about businesses and commerce
- have prior knowledge of ICT.

#### 1.5. Cross Cutting Themes

Principles of Accounting is a learning area that will encompass and address the following cross cutting issues:-

- enterprise
- information and communication technology (ICT)
- financial literacy
- team work
- gender equity
- children's constitutional rights.
- health issues
- disaster risk management
- environmental issues
- guidance and counselling
- •Unhu/Ubuntu/Vumunhu (norms and values)

#### 2.0. PRESENTATION OF SYLLABUS

The Form 1 – 4 Principles of Accounting Syllabus is presented as a single document. It contains the preamble, aims of the syllabus, objectives, methodology, time allocation and the list of topics to be covered. The syllabus also suggests a list of resources that could be used during the learning and teaching process. There is a continuous evaluation and assessment of the student's performance from forms 1 - 4. The syllabus consists of both theoretical and practical assessment. Theory has 70% whilst practical assessment has 30%. More detail is provided on Section 9 (Assessment) of this Syllabus.

#### **3.0. AIMS**

The syllabus aims to enable learners to:

- 3.1 Understand the nature, concepts and principles of accounts.
- 3.2 Develop enterprise skills that will assist them to be self-reliant.
- 3.3 Instil the spirit of Unhu/Ubuntu/Vumunhu (good business ethics) when performing business transactions.
- 3.4 Apply practical accounting skills, techniques and procedures in the preparation of financial statements for sole proprietors, partnerships, companies and not for profit making organisations.
- 3.5 Interpret the financial statements for the benefit of users.
- 3.6 Appreciate the use of computers in accounting.

# 4.0. OBJECTIVES OF THE SYLLABUS

Learners should be able to:

- 4.1 explain the nature, concepts and principles of accounts
- 4.2 identify the various types of business enterprises and the users of financial information.
- 4.3 explain and distinguish between income and expenditure, cash and profit, assets and liabilities as well as capital and revenue expenditure
- 4.4 start and run small projects.
- 4.5 demonstrate the spirit of Unhu/Ubuntu/Vumunhu (good business ethics) when performing business transactions.
- 4.6 prepare financial statements for sole proprietors, partnerships, companies and not for profit making organisations using the relevant accounting concepts, principles, techniques and procedures.

- 4.7 use accounting ratios to assess business performance
- 4.8 make use of computers in accounting.

## 5.0. METHODOLOGY AND TIME ALLOCATION

#### 5.1. Methodology

For effective teaching and learning of Principles of Accounting, the following approaches and principles shall be used:

- a) Learner centred approach- teach students how to think, solve problems, evaluate evidence and analyse arguments. To achieve this, it is suggested that learner centred instructions, objectives, pedagogy and teaching methods such as group discussions, presentations and research should be used.
- b) Multi sensory approach- be sensitive to the learner's sense of sight, taste, smell, touch, hearing and movement. Allow the learner to visualise and examine accounting information.
- c) Individualisation principle- avoid discrimination of learners.
- d) Concreteness principle- use specific figures and facts. Avoid being vague, general, theoretical and make use of real facts.

#### 5.2. Suggested Learning and Teaching Tools

The following are suggested learning and teaching tools that might be used:

- Case studies
- Discussions
- Resource persons
- Role play sessions
- Information and communication technology tools such a computers and videos,.
- Research groups
- Educational tours
- Group presentations and participation
- Team building

#### 5.3. Time Allocation

For adequate coverage of this syllabus, the following allocation is recommended:

Forms 1 and 2: 6 periods per week with at least two double lessons (one double lesson reserved for practical)

Forms 3 and 4: 8 periods per week with 3 double lessons (one double lesson reserved for practical)

#### 6.0. TOPICS

- Introduction to Principles of Accounting
- The Accounting Cycle
- Data Processing Methods Manual, Electronic
- Source Documents
- Subsidiary Books
- The Ledger
- Trial Balance and Errors
- Accounting Concepts
- End of Year Financial Statements
- End of Year Adjustments
- Capital And Revenue Expenditure
- Control Accounts
- Bank Reconciliation
- Accounting Ratios
- Single entry and Incomplete records
- Not for Profit Making Organisations (Non Trading Concerns)
- Departmental Accounts
- Manufacturing Accounts
- Partnership Formation: End of Year Financial Statement
- Company Accounts
- Business Ethics

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
Introduction to prin-	Definition of terms			
ciples of accounting	such as business, ac-			
1	counting, transaction,

	-ledger			
	-trial balance			
	- financial statements			
Data processing	Manual method		Manual method	
methods	Electronic method		Electronic method	
<del>-</del>				

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
Source documents	• Source documents and their significance: - receipts - cheques - invoices - debit notes - credit notes - vouchers - bank statements - statements of account			
Subsidiary books	• Subsidiary books: - 2 column cash book - sales journal - purchases journal - sales returns journal - purchases returns journal - interpretation of entries in the subsidiary books	<ul> <li>Use of books of original entry:</li> <li>3 column cash book</li> <li>general journal</li> <li>petty cash book</li> <li>Interpretation of entries in subsidiary books.</li> </ul>	Use of the general journal     Interpretation of entries in the general journal	
Ledger	Classification of entries, posting and balancing ledger accounts     Interpreting ledger accounts	Classification, posting and balancing ledger accounts     Use of folio numbers     Types of ledgers and the ledger accounts     Interpretation of ledger accounts	Classification posting and balancing ledger accounts     Types of the ledger:     trade receivables ledger     trade payables ledger     general ledger     Use of folio columns     Interpretation of ledger accounts	

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
Trial balance and errors	Trial balance     purpose     preparation	• Trial balance and errors - purpose - preparation - errors	<ul><li>Correction of errors</li><li>Suspense account</li><li>Correction of the trial balance</li></ul>	<ul> <li>Effect of errors on profit</li> <li>Adjustments on gross and net profit</li> <li>Revised statements of</li> <li>Profit</li> <li>financial position (extracts)</li> </ul>
Accounting Concepts			Concepts:     matching/ accrual     prudence     going concern     consistency     historical cost     double entry	
of year financial statements		<ul><li>Income statement</li><li>Statement of financial position</li></ul>	<ul> <li>Income statement.</li> <li>Statement of financial position.</li> <li>Interpretation of financial statements</li> </ul>	
of year adjustments		Prepayments and accruals     for income and expenses (ledger accounts not required)     Depreciation:     causes and methods     reducing balance method     straight line method	Closing entries     Accounting for depreciation:     - straight line method     reducing balance method     revaluation method     Disposal of non-current assets     Accruals and prepayments     -ledger accounts of income and expenses	

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
End of year adjustments			<ul> <li>Provisions for:</li> <li>doubtful debts</li> <li>discounts allowable</li> <li>Income statement and statement of financial position</li> </ul>	
Capital and Revenue Expenditure		Definitions of capital and revenue expenditure     Differences and identification of capital and revenue expenditure	Accounting for capital and revenue expenditure in financial statements     Effects of incorrect classification on:     profit     non-current assets     working capital items	
Control accounts			<ul> <li>Control accounts:</li> <li>purposes</li> <li>types</li> <li>preparation</li> <li>Sources of information</li> </ul>	
Bank reconciliation		Bank reconciliation statement:     definition     importance     preparation     causes of differences between cash book balance and bank statement balance	Bank reconciliation statement and errors     Updated cash book     Treatment of bank overdraft     Causes of differences between cash book balance and bank balance	
Bank reconciliation Accounting ratios				Profitability ratios:     mark up     margin

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
Bank reconciliation Accounting ratios				<ul> <li>net profit</li> <li>percentage</li> <li>Liquidity ratios:</li> <li>current ratio</li> <li>quick ratio</li> <li>rate of inventory</li> <li>turnover</li> </ul>
Single entry and Incomplete records				• Statement of affairs - opening and closing capital. • Missing figures - sales - purchases - expenses - gross profit - net profit - drawings • Financial statements
Not for Profit Making Organisations		Key terms:     surplus     deficit     accumulated fund     subscriptions     Receipts and payments accounts     Income and expenditure accounts     Statements of financial position		

TOPICS	FORM 1	FORM 2	FORM 3	FORM 4
Departmental accounts			<ul> <li>Departmental trading accounts:</li> <li>purpose</li> <li>preparation</li> <li>Combined profit and loss accounts</li> <li>Apportionment of expenses according to given basis</li> </ul>	
Manufacturing Accounts				Manufacturing accounts:     direct cost     indirect costs     prime costs     work in progress     Income statements     Statements of financial position
Partnerships formation				<ul> <li>Formation of partner-ships</li> <li>Advantages and disadvantages of partner-ships</li> <li>Income statements</li> <li>Appropriation accounts</li> <li>Statements of financial position</li> <li>Current accounts</li> <li>Capital accounts</li> </ul>

TOPIC	FORM 1	FORM 2	FORM 3	FORM 4
Company Accounts	PORIVI 1	FORM 2	FORM 3	• Definition of terms: - shares - debentures - authorised share c apital - issued share capital - called up share capital - paid up share capital - paid up share capital - shareholders' funds - dividends - general reserves - retained profits • Statements of Changes in Equity • Statements of financial position (extract).
Business Ethics				• Ethics introduction - professionalism - integrity - confidentiality - competence - objectivity - compliance

CONCEPTS	OBJECTIVES Learners should be able to:	UNIT CONTENT (Skills, Attitude and Knowledge)	SUGGESTED LEARNING ACTIVITIES AND NOTES	SUGGETSED RESOURCES
Ledger	define the ledger     post entries from     subsidiary books to the     ledger     balance ledger accounts     state the types of     ledgers     classify ledger accounts     explain the entries in     the ledger accounts	Classification, posting and balancing ledger accounts     Use of folio numbers     types of the ledgers and ledger accounts     Interpretation of ledger accounts	<ul> <li>Defining the ledger.</li> <li>Posting entries to the ledger.</li> <li>Balancing ledger accounts.</li> <li>Naming the types of ledgers.</li> <li>Classifying ledger accounts.</li> <li>Interpreting ledger accounts.</li> </ul>	Source documents     Books of accounts     ICT tools     Braille
Balance and errors	<ul> <li>prepare a trial balance</li> <li>explain purposes of preparing a trial balance.</li> <li>state errors that are not revealed by a trial balance</li> <li>explain each of the errors</li> </ul>	• Trial balance and errors: -purpose -preparation -errors	<ul> <li>Drawing up a trial balance.</li> <li>Explaining purpose of preparing a trial balance.</li> <li>Naming errors not affecting trial balance agreement.</li> <li>Describing each of the errors.</li> <li>Preparing Trial Balances from information collected from local businesses</li> </ul>	• ICT tools • Braille • Local business
Year financial state- ments	define income statements     explain the need for income statements     draw up income statements     define statements of financial position     prepare statements of financial position	• Income statements • Statements of financial position	<ul> <li>Discussing the purpose of income statements.</li> <li>Preparing income statements.</li> <li>Explaining what statements of financial position are.</li> <li>Drawing up a statement of financial position.</li> </ul>	• ICT tools • Financial statements • Braille

CONCEPTS	OBJECTIVES Learners should be able to:	UNIT CONTENT(Skills, Attitude and Knowl- dege)	SUGGESTED LEARNING ACTIVITIES AND NOTES  • Preparing financial statements from information from local businesses	SUGGESTED RESOURCES
Year adjustments	define accruals and prepayments     show adjustments for accruals and prepayments in end of year financial statements.     define depreciation     state causes of depreciation     calculate depreciation using the given methods	Prepayments and accruals for income and expenses (ledger accounts not required). Depreciation: causes and methods reducing balance method straight line method	<ul> <li>Defining accruals and prepayments.</li> <li>Showing adjustments for accruals and prepayments in end of year financial statements.</li> <li>Defining depreciation.</li> <li>Stating causes of depreciation.</li> <li>Calculating depreciation using the given methods</li> </ul>	<ul> <li>Non-current assets</li> <li>ICT tools</li> <li>Braille</li> </ul>
Capital and revenue expenditure	define capital expenditure and revenue expenditure     differentiate capital expenditure from revenue expenditure	Definitions of capital and revenue expenditure     Differences and identification of capital and revenue expenditure	<ul> <li>Defining capital expenditure and revenue expenditure.</li> <li>Discussing differences between capital expenditure and revenue expenditure.</li> <li>Classifying capital and revenue expenditure</li> </ul>	Non-current assets     Consumable items     Braille

CONCEPTS	OBJECTIVES Learners should be able to:	UNIT CONTENT (Skills, Attitude and Knowledge)	SUGGETSED LEARNING ACTIVITIES AND	SUGESTED RESOURCES
Reconciliation	define bank reconciliation statements     state the causes of differences between cash book and bank statement balances     explain the importance of bank reconciliation.	Bank reconciliation statements:     definition     importance     preparation     causes of differences between cash book	<ul> <li>NOTES</li> <li>Defining a bank reconciliation statements.</li> <li>Discussing the importance of a bank reconciliation statement.</li> <li>Listing the causes of differences in cash</li> </ul>	Copies of bank statements     Cash book     Braille
	iation statements • prepare bank reconciliation statements	and bank statement balances.	book and bank statement balance.  • Drafting bank reconciliation statements	
Profit Making Organisations	define key terms     describe receipts and payments accounts     draw up receipts and payments accounts     prepare simple income and expenditure accounts     draft statements of financial position	Key terms:     surplus     deficit     accumulated fund     subscriptions     Receipts and payments accounts     Income and expenditure accounts     Statements of financial position	<ul> <li>Defining key terms.</li> <li>Describing the purpose of not for profit making organisations.</li> <li>Preparing receipts and payments accounts.</li> <li>Drawing up income and expenditure accounts.</li> <li>Constructing statements of financial position.</li> <li>Preparing financial statements of not for profit making. organisation in their local environment</li> </ul>	<ul><li>Resource persons</li><li>ICT tools</li><li>Braille</li></ul>

## 8.3 FORM 3

CONCEPTS  Processing	OBJECTIVES Learners should be able to:  • apply manual methods of processing data • demonstrate the use of electronic methods	UNIT CONTENT (Skills, Attitude and Knowledge)  • Manual method. • Electronic method	SUGGESTED LEARNING ACIVI- TIES AND NOTES  • Applying manual methods of processing data. • Practising the use of	SUGGESTED RESOURCES  • ICT tools • Braille
Subsidiary books	<ul> <li>state the uses of the general journal</li> <li>prepare journal entries</li> <li>explain the entries in the general journal</li> <li>post journal entries</li> </ul>	Use of the general journal/journal proper.     Interpretation of entries in the general journal.	Listing the uses of the general journal.     Entering transactions in a general journal.     Interpreting the entries in the general journal.     Posting journal entries	• ICT tools • Braille
Ledger	define the term account.     classify ledger accounts     post entries from subsidiary books to appropriate divisions of the ledger.     explain the entries in the ledger accounts.     use reference numbers in the folio columns     interpret the final balances in the accounts.	Classification, posting and balancing ledger accounts.     Types of the ledger:     trade receivables ledger     trade payables ledger     general ledger     Use of folio columns.     Interpretation of ledger accounts	Defining the term account.     Classifying ledger accounts.     Posting entries to the ledger.     Distinguishing transactions for trade receivables, trade payables and general ledgers.     Analysing the entries in the ledger accounts.     Explaining the final balances in the accounts.     Recording reference numbers in the folio columns.	• ICT tools • Braille

## 8.3 FORM 3

CONCEPTS	OBJECTIVES Learners should be able to:	UNIT CONTENT (Skills, Attitude and Knowledge)	SUGGESTED LEARNING ACIVI- TIES AND NOTES	SUGGESTED RESOURCES
Capital and revenue expenditure	define revenue and capital expenditure     classify expenditure into revenue or capital expenditure     show revenue and capital expenditure appropriately in the financial statements     state the effects of incorrect classification of expenditure on profit, non-current assets and working capital	Accounting for capital and revenue expenditure in financial statements     Effects of incorrect classification on:     profit     non-current assets     working capital	Defining revenue and capital expenditure.     Discussing differences between capital and revenue expenditure.     Recording of revenue and capital expenditure in the financial statements.     Discussing effects of incorrect classification of expenditure.	• ICT tools • Braille
Control accounts	define control accounts     state the purposes of control accounts     name the types of control accounts     identify sources of information for control accounts     prepare control accounts	Control accounts:     types     purposes     preparation     Sources of information	<ul> <li>Giving definition of control accounts.</li> <li>Discussing uses of control accounts.</li> <li>Naming types of control accounts.</li> <li>Discussing sources of information for control accounts.</li> <li>Constructing control accounts.</li> </ul>	• ICT tools • Braille
Reconciliation state- ments and errors	identify causes of differences between cash book and bank balances     draw up an updated cash book	Bank reconciliation statements and errors     Updated cash book	•Identifying causes of differences between cash book and bank balances.	• ICT tool • Braille

## 8.3 FORM 3

CONCEPTS	OBJECTIVES Learners should be able to:	UNIT CONTENT (Skills, Attitude and Knowledge)	SUGGESTED LEARNING ACTIVITIES AND NOTES	SUGGESTED RESOURCES
	identify errors in the cash book and bank statement     prepare bank reconciliation statement	Treatment of bank overdraft     Causes of differences between cash book and bank balances	<ul> <li>Discussing errors in cash book and bank statements.</li> <li>Preparing an updated cash book to correct errors in the cash book.</li> <li>Drawing up bank reconciliation statements</li> </ul>	•ICT tool •Braille
Departmental accounts	state the purpose of departmental trading accounts     prepare departmental trading accounts in columnar form     apportion expenses appropriately among departments     draw up a combined profit and loss account     prepare statements of financial position	Departmental trading accounts:     purpose     preparation     Combined profit and loss account.     Apportionment of expenses according to given basis.	Discussing purpose of departmental accounts     Apportioning expenses appropriately among departments     Preparing departmental financial statements     Conducting educational tours to departmental stores	<ul><li>Departmental stores</li><li>Resource person</li><li>ICT tools</li><li>Braille</li></ul>

Balance and errors	OBJECTIVES Learners should be able to:  • recognise the effect of errors on profit • explain the effect of errors on profit • adjust gross or net profit after correcting errors • prepare statements of financial position (extracts) after correction of errors	UNIT CONTENT (Skills, Attitude and Knowledge)  • Effect of errors on profit • Adjustments on gross and net profit • Revised statements of: - profit - financial position (extracts)	SUGGESTED LEARN-ING ACTIVITIES AND NOTES  • Discussing the effect of errors on profit. • Calculating adjusted gross profit or net profit. • Drafting revised statements of profit. • Drawing up statements of financial position (extracts).	SUGGESTED RESOURCES  • ICT tools • Braille
Accounting ratios	<ul> <li>memorise profitability and liquidity ratio formulae</li> <li>compute profitability and liquidity ratios</li> <li>apply profitability and liquidity ratios to arrive at missing figures</li> </ul>	Profitability ratios  mark up  margin  net profit percentage  Liquidity ratios  current ratio  quick ratio  rate of inventory turnover	<ul> <li>Memorising profitability and liquidity ratio formulae.</li> <li>Discussing profitability and liquidity ratios.</li> <li>Calculating liquidity and profitability ratios.</li> <li>Using profitability and liquidity ratios to arrive at missing figures.</li> </ul>	• ICT tools • Braille
Entry and Incomplete Records	define terms     calculate opening     and closing capital     using statements of     affairs     calculate missing     figures     draw up end of year     financial statements	Statements of affairs     -opening and closing     capital. #### 9.0. SCHEME OF ASSESSMENT

#### 9.1. Assessment

Principles of accounting will be assessed using continuous and summative assessments. The syllabus' scheme of assessment is grounded on the principle of inclusivity. Arrangements, accommodations and modifications should be made in both continuous and summative assessments to enable candidates with special needs to be catered for.

#### 9.2. Assessment Objectives

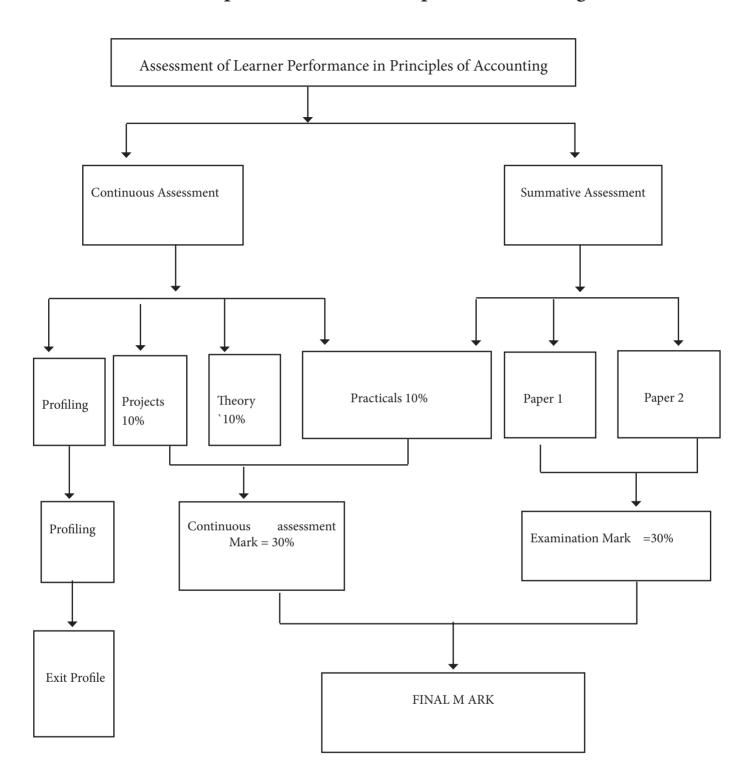

By the end of the 4 years of secondary education, principles of accounting learners should be able to:

- 1. apply knowledge of accounting concepts in the preparation of financial statements.
- 2. demonstrate knowledge and understanding of double entry book keeping in the preparation of ledger accounts using either "T" account format, running balance format or balanced journal. format.
- 3. demonstrate knowledge of terms used in all the stages of the accounting cycle.
- 4. use appropriate accounting techniques in deducing missing information.
- 5. perform accurate calculations of accounting data and present the information in a logically acceptable manner.
- 6. use accounting ratios to analyse accounting information.
- interpret accounting information to make informed decisions.
- 8. apply skills and knowledge acquired to given real life situations.
- 9. apply a culture of honesty, in tegrity and transparency when conducting business transactions.
- 10. recognize the importance of keeping accounting records in the business world.
- 11. match source documents to their subsidiary books.
- 12. compare the activities of various business organisations and non-trading concerns.
- 13. explain the activities of the sole proprietors small to medium enterprises, partnerships and limited companies.
- 14. outline the importance of accounting information to

stakeholders.

- **15.** use appropriate accounting techniques to check the accuracy of accounting records through bank reconciliations, the trial balance and control accounts.
- 16. compare the methods of data processing, listing their advantages and disadvantages.

## Assessment of learner performance in Principles of Accounting

#### Principles of Accounting Syllabus Forms 1 - 4

#### 9.3. SPECIFICATION GRID

#### Continuous Assessment (30%)

LEVEL	ASSESSMENT TASK	FREQUENCY	WEIGHTING
